3D WHEEL ALIGNMENT SERIES

PROFESSIONAL-ACCURATE-FAST

INTRODUCTION

YANCHENG SUNRISE TECH CO specializes in designing and manufacturing 3D wheel alignment equipment for ten years. SUNRISE provides a full range of wheel aligners, characterized by high technological content, which guarantees a quick, accurate, easy and trustworthy wheel alignment.

MAIN BUSINESS SCOPE

Wholesale of 3D wheel alignment machine
3D camera and target plate customization
Alignment program designing (SKD) OEM service

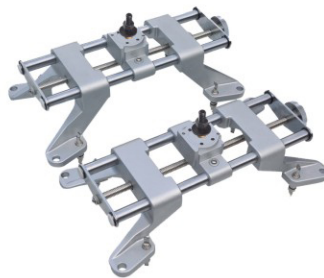

FEATURES

Real 3D camera measuring technology
Just one time calibration in factory
Humanized design of alignment interface with easy to use operation
Multi-language alignment interface and English voice navigation for operation
More than 20,000 car models specification worldwide with free update timely
Extra camera for vehicle parking aid system
Two wheel quick alignment function

Projects	SAI	Camber	Toe	Castes	Thrust Angle	Back Angle	Total Toe
Measurement Accuracy	$\pm 0.05^\circ$	$\pm 0.02^\circ$	$\pm 0.02^\circ$	$\pm 0.05^\circ$	$\pm 0.02^\circ$	$\pm 0.01^\circ$	$\pm 0.02^\circ$
Measurement Range	$\pm 25^\circ$	$\pm 10^\circ$	$\pm 20^\circ$	$\pm 20^\circ$	$\pm 10^\circ$	$\pm 10^\circ$	$\pm 20^\circ$

Unique design and customized camera for wheel alignment with more accurate compared with industrial camera

Universal self-center wheel clamp made of aluminium with stainless knob
Clamprange: 11-22"

High quality durable target plates which no electronic components.
Keep the measurement more accurate

Model **V3D-S**

Simple Version Wheel Alignment

Standard accessory

Simple Version

Without Cabinet

Manual Adjustment

Aluminium Post

Camera Beam Assembly	1set	Steering Wheel Holder	1pc
Wheel Clamp	4pcs	Brake Lock	1pc
Target Plate	4pcs	Turntables	2pcs
Camera Beam Support	1pc	21" LCD Display	1pc
Computer	1pc	A4 Printer	1pc
Computer Box	1pc	Wedge Block	2pcs

Power Request	Installation Type
100-240V, 50/60Hz, Single phase	4Post lift, scissor lift or pit type

Model **V3D-1**

Standard Version Wheel Alignment

Standard accessory

Standard Version

With Red/Blue Cabinet

Manual Height

Adjustment (108-182cm)

Camera Beam Assembly	1set	Steering Wheel Holder	1pc
Wheel Clamp	4pcs	Brake Lock	1pc
Target Plate	4pcs	Turntables	2pcs
Camera Beam Support	1pc	21" LCD Display	1pc
Computer	1pc	A4 Printer	1pc
Cabinet Assembly	1pc	Wedge Block	2pcs

Power Request	Installation Type
100-240V, 50/60Hz, Single phase	4Post lift, scissor lift

Model **V3D-3**

Automatic Version Wheel Alignment

Standard accessory

Automatic Moving System	Automatic Camera Beam	1set	Steering Wheel Holder	1pc
With Red/Blue Cabinet	Wheel Clamp	4pcs	Brake Lock	1pc
Up and down automatically	Target Plate	4pcs	Turntables	2pcs
